MENU SHOWN IS A SAMPLING

Their new home at La Isla Shopping Village features a lovely main dining area with tall ceilings, huge plate glass windows and rectangular bar. Same great food and service as always. There is also a completely separate & enclosed dining room for smokers. The charcoal grill and "asador" (vertical spit over hot coals) provide special Argentine flavor. Salads & sides are big enough to share! Cambalache - the Big Steak House - sure lives up to it's name!
